General Information

- a Due to current political and economic uncertainties, this tariff may undergo readjustments throughout 2022 and 2023. If this occurs, we will honor the tariffs for reservations made before the readjustment, but new requests and confirmations must follow the current tariff. We recommend that you always consult our Reservations department about prices and accommodation conditions.
- b The above prices are expressed per person, varying according to the accommodation, period and duration of stay. A couple that stays in a cottage will pay twice the amount described above for the Double/Triple rate corresponding to the Experience and Season chosen; a single guest will pay as per the Single rate. To confirm the reservation, a link for credit card payment is sent.
- c **Low Season:** From February 26th to June 30th (Except Brazilian National Holidays); **Regular Season:** From January 2nd to February 16th + from February 22nd to 25th + from July 1st to December 19th + Brazilian National Holidays; **Special Season:** Carnival from Feb-17th to 22nd + End of Year from Dec-20th to Jan-1st-
- d Above Prices include: regular shuttle services Manaus-Lodge-Manaus, Breakfast, Lunch, Afternoon Snack, Dinner, Tours with guides and Hosting. Drinks are not included except water.
- e The Hotel offers 16 cottages, 4 Bungalows and 3 Panoramic - totaling 23 rooms. All categories are designed to accommodate 2 people and spare occupants are accommodated in extra beds. Considering all the beds in the Lodge, we have capacity to host 56 people per night.
- f The cottages and bungalows can accommodate a maximum of 3 guests (with the addition of one extra bed). There is no physical space to accommodate more than one extra bed in these rooms.
- g The panoramic accommodate up to 4 guests (1 Double Bed King, 1 Twin bed and 1 extra bed). But we remember that the room is designed to accommodate couples with only one companion. The placement of one additional bed unconfigures the furniture proposal and the layout of the bedroom.
- h The charge of the guest accommodated in an extra bed will always be on the value of Chalets Experience.
- i Portuguese and English speaking guides are offered free of charge. Guides fluent in other languages are offered under price quote and availability.
- j All the experiences offered by the Hotel has its non-private trips distributed in small groups.
- k To ensure the availability of guides fluent in English, it is necessary to ask in advance for this service.
- l Extra nights prices will be accepted only from the sixth day program on.
- m Couples on honeymoon will be gifted with a bottle of sparkling wine and a fruit caipirinha in the first evening.

Transfers

- a The Regular Transfer is offered daily at 2 fixed times. The path is by paved road in Vans or Cars with an average of 2:45.
- b Attention to the schedule of your flights both on arrival and departure from Manaus. In respect for other guests, the lodge does not flexibilizes pick-up and drop-off times of the regular transfers.
- c From Manaus to the Lodge there are two departure options: 1- Departure between 08:00 and 09:00 with pick-up in hotels, 2- Departure between 13:30 and 14:30 for flights arriving until 14:15 at the Airport. When choosing the pick-up at the airport, guests miss lunch and the first activity of the package.
- d From The Lodge to Manaus the departure options are: 1- Departure at 08:00 for flights between 13:00 and 18:30, 2- Departure at 13:30 for flights after 18:30 and for Hotels in Manaus. INFRAERO recommends passengers arrival at the airport 2 hours in advance from the Flight departure for check-ins in Manaus. By opting for the morning departure the guest will miss the last activity of the package.
- e In case of private transfer, an additional fee will be charged with confirmation of values and availability.
- f For safety reasons, we do not offer transfers, even private, after 16:00. In this way, flights landing after 16:00 will require that the guest stay in Manaus at the first night and follow to Anavilhanas on the next day. In such cases, the cost of overnight in Manaus should be borne by the guest.
- g There is also an option for a seaplane transfer over Anavilhanas' archipelago. The trip takes about 35min. Costs are not included in the packages and availability is checked upon request. The flight times should follow the ground transfer timetable, since, in bad weather conditions, the plane is not allowed to take off and the passenger should travel by car.
