General considerations

Our rates include road transfer services between Manaus-Lodge-Manaus, a la carte meals in our restaurant, tours, accommodation and use of all common areas of the Hotel. Alcoholic and non-alcoholic drinks are charged separately.

The prices above reflect the costs per room, varying according to the category, season and length of the stay, taking adult guests as a reference. 1 guest occupying a room follows the "Single" rate while 2 guests occupying a room follows the "Double" rate.

This tariff may undergo adjustments throughout 2024 and only the published version on our website is valid for quotes. In the event of a price change, we will honor the rates for reservations made before the adjustment, but new requests and confirmations must follow the current rate. We always recommend consulting the Reservations department to confirm prices and conditions.

The Hotel has 16 Cottages, 4 Bungalows, 3 Panoramic Rooms and 1 Villa with 2 suites - totaling 25 rooms. All suites are designed to accommodate 2 guests and extra occupants are accommodated in additional beds. Considering all the beds in the Lodge, we have the capacity to host up to 60 guests per night.

The Cottages and Bungalows can accommodate a maximum of 3 guests with the addition of 1 extra bed, there is no space to accommodate more guests. For families we recommend booking 2 Cottages side by side (neighboring rooms), the Panoramic or the Villa.

The panoramic rooms can accommodate up to 4 guests (1 King Double Bed, 1 Single Bed and 1 Extra Bed). But remember that the room was designed to accommodate couples with 1 companion. The placement of 1 extra bed distorts the proposal and arrangement of the room's furniture.

The charge for guests accommodated in extra beds will always be based on the "Extra Adult" price column of the respective chosen category.

We offer tours with guides fluent in Portuguese and English at no additional cost. Guides proficient in other languages can be made available upon request for price and availability. It is necessary to inform the group's language in advance to ensure that the service is available.

All experiences offered by the Hotel have tours in small, non-private groups with pre-determined departure times to make the most of everyone's experience.

The Extra Nights rate is only applied from the 6 Days/5 Nights Experience onwards, for those who wish to extend their stay.

Transfers

Anavilhanas offers its guests, as a courtesy, 2 fixed daily transfer times for the stretches from Manaus to the Lodge and vice versa. The journey takes place on a paved roads in Vans or non-private cars, with an average duration of 3 hours.

In Manaus, we recommend choosing down-town hotels, close to the Teatro Amazonas (Opera House), where there are good restaurants, museums, tourist attractions and the daily pick-up is scheduled for 8:30. Hotels close to the Airport and Industrial District are further away and, therefore, the regular daily pick-up is scheduled for 8:00 am. We recommend all guests to stay at Hotel Villa Amazônia, for the best experience in Manaus.

For the guests looking for pick-up or drop-off at the Airport, we ask for special attention to flight arrival and departure times in Manaus. Out of respect for all guests, we do not make regular transfer times flexible.

Arrival Transfer (Manaus-Lodge): 1- Departure between 08:00 am and 08:30 am with pick-up depending on the location of the Hotel; 2- Departure from 1:30 pm and until 3:30 pm for flights arriving at the Airport until 3:00 pm. Opting for pick-up at the airport, the guest will miss lunch and the first activity of the experience.

Return Transfer (Lodge-Manaus): 1- Departure at 08:00 am for flights between 01:00 pm and 06:30 pm, 2- Departure at: 01:30 pm for flights after 06:30 pm and Hotel overnights in Manaus. INFRAERO recommends arriving 2 hours in advance for check-ins in Manaus. If you choose to leave in the morning, you will miss the last activity in the

If you wish to hire a private transfer service, check availability and prices with our Reservations department.

For safety reasons, we do not offer night transfer services, stipulating 04:00 pm as the limit to start one of the stretches. Therefore, flights whose delays imply landings after 4:00 pm will require the guest to stay overnight in Manaus and go to the Lodge in the next morning. In these cases, all costs arising in Manaus are the responsibility of the guests.

More than an alternative way of transfer, arriving or returning from the Lodge on a Seaplane is a safe, panoramic tour that provides an unforgettable landscape. This is an outsourced service, with additional costs and paid directly to the Air Taxi company. We recommend booking flights according to the Lodge's regular ground transfer schedules. This way, we guarantee seats in the Vans in case of flight cancellation.

Groups with more than 8 guests will have a guide and private tours in English and Portuguese, at no additional cost, following the Lodge's tours schedules.
