General Information

- a This tariff may undergo adjustments throughout 2023 and 2024. In the event of price changes, we will honor the rates for reservations made before the readjustment, but new requests and confirmations must follow the current rate. We always recommend consulting the Reservations department to confirm current prices and accommodation conditions.
- b The above prices are expressed per person, varying according to the accommodation, season and duration of stay. A couple staying in a cottage will pay twice the amount of the Double/Triple rate corresponding to the Experience and Season chosen. A single guest will pay the Single rate.
- c Rates include Manaus-Lodge-Manaus road transfer services, Meals in our restaurant, Tours related to the chosen Experience and Accommodation in one of the reserved room categories. With the exception of water, other alcoholic and non-alcoholic drinks are charged separately.
- d The Hotel has 16 Cottages, 4 Bungalows and 3 Panoramic - totaling 23 rooms. All categories are designed to accommodate 2 people and spare occupants are accommodated in extra beds. Considering all the beds in the Lodge, we have a maximum capacity of 56 people per night.
- e The Cottages and Bungalows can accommodate a maximum of 3 people (with the addition of 1 extra bed). There is no space to accommodate more than 1 extra bed in this room category. For families we recommend booking 2 cottages side by side or a panoramic room.
- f The panoramic rooms can accommodate up to 4 people (1 King Double Bed, 1 Single Bed and 1 Extra Bed). But we remind you that the room was designed to accommodate couples with 1 companion. The placement of 1 extra bed distorts the proposal and layout of the bedroom furniture.
- g The charge for guests accommodated in extra beds will always be on the value of the Double/Triple Experience in Cottages.
- h We offer guides fluent in Portuguese and English at no additional cost. Guides with domain in other languages can be provided upon consultation of price and availability. It is necessary to inform the language of the group in advance to ensure that the service is available.
- i All experiences offered by the Hotel have their tours in small non-private groups with predetermined departure times for the best use of everyone's experience.
- j The Extra Nights rate is only applied from the 6 Days/5 Nights Experience onwards, for those wishing to extend their stay.
- k We list below in chronological order the dates considered as Low Season, Regular Season and Special Season:

Season	From:	To:	Obs:
Regular	January 2, 2024	February 8, 2024	
Special	February 9, 2024	February 13, 2024	National Holiday - Carnival: minimum stay of 5 Days and 4 Nights

Low	February 19, 2024	March 27, 2024

Low	April 1, 2024	May 29, 2024	
Regular	May 30, 2024	June 2, 2024	National Holiday - Corpus Christi
Low	June 3, 2024	June 27, 2024

Transfers

- a Anavilhanas offers its guests, as a courtesy, 2 fixed daily transfer times for the stretches from Manaus to the Lodge and from the Lodge to Manaus. The journey are in paved road in Vans or non-private cars, with an average duration of 3 hours.
- b In Manaus, we recommend choosing hotels in the down-town, close to the Opera Houve, where there are good restaurants, museums and touristic attractions, where the pick-up is scheduled for 8:30. Hotels close to the Airport and Industrial District are further away and, therefore, the pick-up is scheduled for 8:00 am. We recommend that all guests stay at the Hotel Villa Amazônia, for the best experience in the historic district of the city.
- c For those who wish to pick-up or drop-off at the airport, we ask you to pay special attention to the time of arrival and/or departure flights from Manaus. Out of respect for other guests, the Lodge does not make flexible pick-up and drop-off times for regular transfers.
- d One way transfer (Manaus-Lodge): 1- Departure between 08:00 and 08:30 with pick-up depending on the location of the Hotel; 2- Departure from 1:30 pm and up to 3:30 pm for flights arriving at the airport at 3:00 pm. By opting for the pick-up at the airport, the guest will miss lunch and the first activity of the package.
- e Return Transfer (Lodge-Manaus): 1- Departure at 8:00 am for flights between 1:00 pm and 6:30 pm, 2- Departure at 1:30 pm for flights after 6:30 pm and Hotels in Manaus. The Airport Authority recommends showing up 2 hours in advance for check-ins in Manaus. By choosing to leave in the morning, the guest will miss the last activity of the package.
- f If you wish to hire a private transfer service, check availability and prices with our Reservations department.
- g For safety reasons, we do not offer night transfer services, stipulating 6:00 pm as the departure time limit both from Manaus and from the Lodge. Therefore, flights whose delays imply landing later than 4:00 pm will require the guest to stay overnight in Manaus and travel to the Lodge in the morning of the following day. In these cases, the overnight costs in Manaus must be borne by the guest.
- h More than an alternative form of transfer, arriving at or returning from the Lodge on a Seaplane is a safe panoramic tour that provides an unforgettable landscape. This is an outsourced service, with extra additional costs and paid directly to the Air Taxi company. We recommend booking flights according to the Lodge's regular ground transfer schedule. In this way, we guarantee seats in the Vans in case of flight cancellation.
